We Found Your Beach... At Your Daytona Resort!

Home, Home on the Range...

A warm Texas howdy to Elvira Rodriguez, our new Resort Manager in Bandera! Elvira was formerly located at our Daytona Beach resort, but she is now settling into cowboy country... and cowboy boots... and doing a spectacular job heading up some major renovations. Along with our interior designer, Elvira is guiding the renovations of 12 kitchens and bathrooms, with 7 more coming this fall, as well as supervising the addition of new mattresses, furniture and other design elements. As a truly "hands-on" manager, Elvira personally dug deep on the beautiful new landscaping, adding extra charm to this idyllic area.

Our unique hill country destination is proving to be incredibly popular both for vacationing and exchanging. Elvira's dedication to our Club is making this special destination a vacation accommodation unlike any other!

Mission Statement:

"Our Mission, Accomplished Through Teamwork, is to Create Vacations That Enrich Our Members' Lives."

We Get Emails...

We get emails, Facebook postings, Twitter postings and website postings. Below are three recent letters and postings the staff are all very appreciative to have received.

And yes, we still get hand written letters.

Just got back from a week in Bandera and had a great time. There is always so much to do in the surrounding area. I wanted to say that I was amazed at how much better it was kept up. Everything from the grounds to the room, it was so clean and well maintained. Even though our condo had not been one that had been renovated it was so clean it was unbelievable. You could tell it wasn't your average maintenance crew, but a team that takes pride in their work. All were so friendly and were eager to serve to our door. AWESOME STAFF THAT DESERVE A PAT ON THE BACK.

We would like you to know how impressed we are with your employees here and the condition of the resort! It's amazing!! Elvira, Matt, Chaznik, and all the employees are first class and go the extra yard to ensure one's comfort. This resort is truly a jewel in our club. The privacy, amenities, and open country setting are hard to find at any price! We were here 2 weeks ago, and are back right now as paying guests for a few days for Octoberfest. (We wanted to save our full week for another time.) This resort is very special!! Also want to throw in an extra plug for Chaznik! His energy and fun-loving personality are contagious! He's a hard, serious worker with a fun, cheerful

personality, that's a great combination! Thanks again for providing us with a great vacation and we feel so lucky to be a part of this vacation club! Your improvements here are outstanding.

We have owned a timeshare from Perennial Vacation Club since 1988. Even though we don't go back to Lake Tahoe often, we have exchanged to other places all over the world. We have really enjoyed the many beautiful places we have been and are still enjoying the timeshare.

Your Perennial Family By the Numbers

Your vacation club has been in existence for 34 years. Did you know that many members of the Perennial family have been around almost that long? Two of our employees have been with us for over 25 years. Another three employees have been around for over 20. One has been with us for over 15 years, 5 for over 10 years and 7 for over 5 years. And we're not counting the many members who have been with us since the very beginning in 1980!
