# Daytona Renovations

## Part II - the improvements continue...

A new resort sign and new Tiki huts provide wonderful shaded areas to relax and enjoy the ocean's magic.

## Your Perennial Vacation Club Staff

A few individuals who consistently strive to "create vacations that enrich our members' lives" - In Tahoe, Assistant Resort Manager, Adam (a Tahoe local) not only knows the area but all the best dining. (As a former college football lineman, he told us, dining is his favorite activity.) Our Daytona Assistant Resort Manager, Miriam, is an expert on the beach area. And our Bandera Resort Manager, Elvira, can be mistaken as a native Texan. She can line-dance, point the way to the flowing Medina River for tubing and kayaking, and is raving about the new natural history museum. She's even been heard to tell our members "come on down, ya'll!"
