Pet Policy

In recent years, some of our members have questioned whether we allow pets in our resorts, with many seeking assurances that we do not. While we love our pets, they can create problems for guests who suffer from allergies, and cause other disturbances. In consideration for the comfort and enjoyment of all of our guests, we therefore do not allow pets in any of our resorts. We do, of course, comply with the ADA, and allow the presence of service dogs that fall within those guidelines.

In accordance with the ADA, guests with service dogs are required at check-in to fill out and sign a form attesting that the dog is (1) required because of a disability, and (2) detailing the work or task that the dog has been trained to perform. Service dogs MUST remain within the control of their handler at all times—they may not be left unattended in a room or car, and they may not disturb other guests. No other pets are allowed on property. Thank you for your cooperation!

Internet Updates

Providing WiFi service to our Tahoe guests is one of our top priorities, although our beautiful trees and mountains make signal strength an on-going challenge. We're happy to announce that local technology is improving, and high speed Internet access will be available to our guests in both Tahoe Village and the Eagles' Nest by late Fall. Heading to Daytona? WiFi and HDTV improvements are underway there, too! Best of all, it will remain FREE!

Tips & Tricks to Get The Most From Your Membership

Perennial Vacation Club loves to offer its members benefits and perks, but not everyone is taking advantage of these gems. Here are some of our favorites:

- The Tahoe Village four-plexes offer the serenity of a mountain retreat, all with free WiFi!
- Speaking of WiFi, we're constantly expanding and improving the signal, and it's still FREE at all of our resorts!

- Stretch Weeks! During select weeks, add three extra vacation days at no extra cost.
- Our book and DVD lending libraries, available at all resorts at no cost.
- Our extremely knowledgeable (and friendly) front desk staff, who can suggest numerous ways for you to enjoy your vacation (and save money, too)!
- Access to a hot tub in Tahoe Village!

- Direct, in-house sales whenever you're ready to add a week or have friends or family to refer. No mark-up means the prices are always a bargain!
- The ability to visit Tahoe during Christmas and New Year's For non-gold members, units may become available 21 days out. Upgrade fees apply.
- The lower level of our gorgeous, lagoon-style pool and hot tub in Bandera. (Above)
- Bonus time! Members can rent additional time, as available, at member-only (and very low) prices!

- Choices! Some of our members never exchange their week; some visit their favorite home resort every year at the same time. Other members belong to RCI and/or II, and others exchange with our in-house Direct Exchange Department.* Our mission is to help you go where you want, when you want.

**Did you know? Under Florida law, we register every year and file a CPA audited document of exchange statistics—just like RCI and II.*
