Perennial Vacation Club

Summer 2015 Vol. 34, No. 1 • www.perennialvacationclub.com • 1 (800) 35-WORLD

The Sawdust Pile

As always, we continue to make improvements around our resorts.

In addition to the renovations at Ridgeway, we have recently repaired Needlepeak Road and the driveway leading to the Eagles' Nest, and replaced furniture at Daytona Beach.

A Step Up

We're pleased to announce the completion of external renovations at our beautiful Ridgeway building in Tahoe Village. These lovely, two bedroom units have spectacular views of the Carson Valley and Heavenly. Although they do have a few steps (starting at 40 and ending at 82 at the highest point), these delightful rooms are more than worth the climb—as well as an excellent way to get steps for those of you wearing activity trackers! For one bedroom owners, don't forget the four-plexes at Hideaway, Tall Pine and Pineview. These rooms have all the serenity of a mountain cabin retreat, but don't worry about losing touch with the outside world—all of our Tahoe Village units offer free Wi-Fi.

New pavement at Eagles' Nest and Ridgeway.

Gas barbeques and picnic tables at Tahoe Village.

The views of Carson Valley from the top of Ridgeway are breathtaking.
